

# OHJA BOD Meeting

March 31, 2012

Roll Call: Skip Thornbury, Anne Thornbury, Kathy Valentine, Erica Staib, Matt Payne, Scott Dehelian, Lindsay Yinger

New Business: The issue of rider's wishing to be re-classified, usually to a lower height division was brought up. An example is a rider that competed in two shows in the junior/amateur-owner division at the Limerick Lane Farm show last year and now would like to go back to 2'6". After much discussion about this particular rider's situation it was decided that the wording for the re-instatement rule needs to be re-visited.

The meeting was adjourned at 8 pm.

Respectfully submitted,  
Anne Thornbury
