**Divisions**

There was a discussion on revamping many of the hunter divisions to be in line with USEF specs for 2016. With show season already underway this will be revisited for 2017 as more changes are anticipated.

- Thoroughbred hunters will be added. To be offered at two heights 2'6 & 3'. There will only be one year end award for this division.
- Jumpers: There was discussion of changing the height of schooling training from its current height offering of 3'-3'6 to 3'. Offering multiple schooling training heights (low, medium & high) is a possibility that was discussed. This was tabled for a later date.
- Small Hunters: Due to lack of participation this division will be no longer be offered as a year end award.

**Website**

Redesign was of the website was discussed. Some feel it is dated, needs to be more attractive and should be more substantive. Including a page of historical association information as well as historical winners and a slide show were suggested. Karen thought a computer savvy junior or amateur might enjoy taking on this project. Scott will talk with web master David Bridges to understand costs and limitations of our current format.

**Election Results**

Returning board members are Frankie Stark, Lindsay Yinger and Scott Dehelian. New members are Holly Helbig and Allie Mcbreen. Departing board members Skip Thornbury and Karen Reid were thanked for their service.
