

OHJA Board of Director's Meeting

May 25, 2009

Members attending: Skip Thornbury, Anne Thornbury, Matt Payne, Erica Staib, Maureen Fagan, Frankie Stark, Jeremy Sims.

Point One: Matt is still working on the demographics project.

Point Two: The Zone 5 scholarship fund donations have amounted to \$1100 so far in 2009. In 2008 we collected \$800 from the members. Kathy is to send a check to Zone 5 for \$1100.

Point Three: Matt Payne brought news from the Zone 5 meeting. They would like to see all the zone 5 states try to align their division specifications. No one of the board thought there would be an possibility of that happening, too much diversity in the areas. Erica thought there could be a possibility of a guideline of the specifications to help horse show managers.

Point Four: Maureen received a prize list/schedule from the New Vocations Horse Show and there were some things that were not correct. She spoke to show management and requested the appropriate changes be made. Maureen will follow up on it.

Point Five: Angela Klein Moore had indicated she is interested in working with the OHJA in some way.

Point Six: The Great Wolf Lodge approached Matt about the possibility of having a year-end banquet there. Matt will do a price comparison. It would be worth checking into.

Point Seven: The new Amateur-owner hunter division at the 3'3" height will count for our A-O division for year-end awards.

Meeting adjourned at 7:50.

Respectfully submitted,

Anne Thornbury.
